To the Selectmen of the Town of Ossipee:

	\$8,242.37

Cash on hand	66.60
Check book balance	1,081.07

	\$1,147.67
Payments of the 1958 accounts were divided as follows:	
Town of Ossipee	1,448.15
Motor Vehicle Dept.	3,295.42
Justice	1,312.60
Sheriffs	33.00
Fish & Game Dept.	1,146.50
Small Claims & Misc.	958.33

During the past year of 1958 the Court handled 476 cases, divided as follows: 377 Motor Vehicle, 18 drunks, 54 Fish & Game, 1 not guilty, 2 appealed, 7 nol prossed, 9 filed, 153 small claims, and 6 Juvenile.

The past year has been busy in the Ossipee Municipal Court. I take this opportunity to thank the Special Justice, Edward C. Smart for his fine co-operation and all the officers for their courtesy and steady efforts to uphold the law in a reasonable manner.

The Justice carries the Clerk of Court expense and mileage. Both Justice and Special Justice are members of the New Hampshire Association of Municipal Court Justices and attend meetings whenever called. Being a Justice or Special Justice is certainly not being a candidate in a popularity contest, but I wish to thank the great majority of respondents for their understanding and courtesy.

PARKER M. MERROW,
Justice

FOREST FIRE WARDEN'S REPORT

Dear Mr. & Mrs. & Family:

Once again our region is covered with snow and the forest fire hazard has disappeared, but to your local forest fire warden it is just a time to check over his equipment and check the causes of the fires he has had. We know that our biggest cause of forest fires are careless people burning rubbish, brush or debris without a permit or in an unsafe place. When this fire gets away from them and help is needed to put it out they then plead that they did not know a permit was required for the incinerator or this type of burning. Well, the old saying, ignorance of the law is no excuse, fits in here very well. The forest fire laws have been in the newspapers, on the radio and on television and are on some posters, and there should be no excuse for not knowing a permit is required for all outdoor burning. In this year's report we are going to quote the law of the State of New Hampshire in regards to permits, this is found in Chapter 233 - Section 35 revised laws, State of New Hampshire.

Permits

- 35b No person, firm or corporation shall kindle or cause to be kindled any fire or shall burn or cause to be burned any material, and no city or town shall kindle or maintain a fire or a public dump in or near woodlands, pasture, brush, sprout, waste, or cutover land or where fire may be communicated to such lands, except when the ground is covered with snow, without first obtaining a written permit from the forest fire warden of the town where the burning is to be done unless the same is in the presence of the warden or his agent.

Liability for fires without permit.

36 Any person causing or kindling a fire without permit of the forest fire warden when such permit is required and any person by whose negligence or the negligence of his agents any fire shall be caused, shall be liable in a civil action for the payment to the town or the state or both, of the expenses incurred by the forest fire warden or his deputy warden in attending or extinguishing such fire.

Penalties

38 Any person violating any provisions of section 35 shall be fined not more than two hundred dollars or imprisoned not more than sixty days.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Ossipee:

During the school year 1957-58 the teachers in the Ossipee Central School were:

Principal	Mr. Charles Pinkham
Grade 8	Mrs. Rachel Ward
Grade 7	Mrs. Ruby Pearson
Grade 6	Mr. Meyer Imperiale
Grade 5	(Mrs. Helen Day) Mrs. Beatrice Harmon
Grade 4	Mrs. Lillian Godfrey
Grade 3	Mrs. Florence Eldridge
Grade 2	Mrs. Lucinda Gilman
Grade 1	Mrs. Alice Loud

There are two changes in the staff for the current year. Mrs. Ward resigned at the close of last year and was succeeded by Mr. Warren Anthony of Freedom, N. H. Mr. Anthony is a graduate of Rhode Island University, has had several years experience as a counselor in a boys' camp, and completed a year of graduate work at Plymouth Teachers' College last June. Mr. Anthony directs the physical education and sports program. Mr. Imperiale was succeeded by Mrs. Edna Kennard of Center Ossipee. Mrs. Kennard is a graduate of Keene Teachers' College and is a former member of the Ossipee staff. Mrs. Loud, Mrs. Eldridge, Mrs. Harmon, and Mr. Pinkham attended

Plymouth Teachers' College summer session during the past year. An extension course in the new methods of the teaching of reading was held at the Ossipee Central School during the first half of the school year 1957-58. This was a course on the graduate level and was completed by most of the Ossipee teachers. We are fortunate to have such a competent staff dedicated to the welfare of the pupils.

The school health service continues under the competent direction of Mrs. Marion Davis, R. N., who has rendered a very valuable service to the children of the community for many years. All pupils participating in the sports program are given a thorough examination by Dr. Dube, and others are given a similar examination as the need is reported by Mrs. Davis.

The total enrollment in the Ossipee Central School was 182 pupils. The school opened in September, 1958 with an enrollment of 184. Current census returns indicate that the enrollment next year will show little change.

Enrollment of high school pupils was as follows:

High School	Total Enrollment	Average Membership	Tuition Rate
Brewster Academy	22	20.9	\$325 00
Kennett High School	52	47.2	340 00
Spaulding High School	1	1.0	285 00
	75	69.1	

The September enrollment of high school pupils for the current year was as follows:

High School	Enrollment	Tuition Rate
Brewster Academy	27	\$325 00
Kennett High School	42	350 00
Quimby School	1	350 00
	70	

Tuition rate announced for 1959-60 are: Brewster Academy \$360.00; Kennett High School \$355.00; Quimby School \$350.00. There should be about the same number of high school pupils enrolled next year.

Early in the current year a new fire escape was installed providing an exit from the 8th grade room on the upper floor. There are now two fire escapes and two stairs providing means of exit from the two classrooms on the top floor.

A sewer pipe has been laid from the school to connect with the Precinct A sewer line on Huckins Street. As a result of a frequent failure of the school sewage disposal system, action was taken at the last adjourned annual district meeting authorizing the school board to make this installation.

During the year several of the districts in this supervisory union have conducted a Cooperative School Study. Ossipee is represented on the study committees by the school board and the elected members Mr. Roy Knox, Mr. Ralph Dube, Mrs. Beryl Kramer, Mr. Rolland Lord, and Mr. Weld Schoonmaker. This study has necessitated much work and many committee meetings. Ossipee members are to be commended for their contribution to the study. A report of the study has been published.

Respectfully submitted,
EVERETT H. BRASIER
Superintendent of Schools

The School Lunch Program operates from November 1 to the April vacation. Due to a lack of adequate refrigeration facilities, we were unable to operate during the warmer months. The Special Milk Program is in operation during the entire year.

During the school year 1957-58, 12480 children's lunches were served on 102 days. This was a daily average of 122 lunches served to children. The daily charge to children was 20 cents per meal.

I certify that the above information is true and correct; that the cash balance has been determined by actual count and verification of the checkbook balance; and that invoices and other pertinent records as required are on file to substantiate the School Lunch Program transactions.
